**EXOTIC LUMBER STAIR PARTS**

Although we do offer stair parts manufactured from exotic lumbers such as Jatoba and Santos Mahogany, we need to make you as the customer aware of problems that the use of this lumber presents.

These very dense, oily tropical hardwoods warrant special attention.

Additional steps in sanding and glue up are required during manufacturing.

In spite of these extra steps, some delaminating and wood fiber separation may occur in the finished product.

**We offer no warranty on Brazilian Cherry or Santos Mahogany stair parts or parts that are made from customer provided materials.**
